What exactly happened ...?

How did I end up like this...?

All I did was helped some-one...
who was trapped in the rubble

指尖奶茶

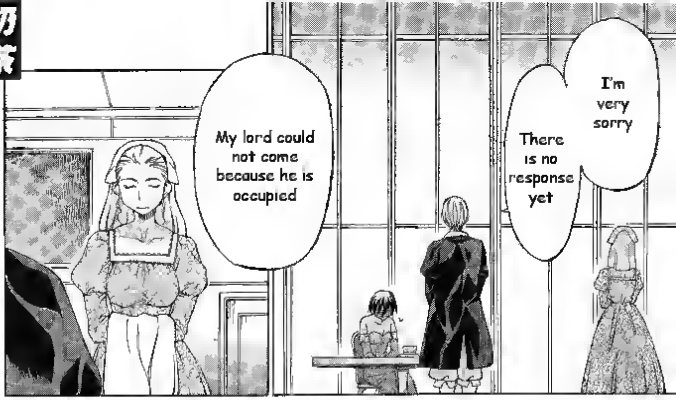
The person in the mirror...
is it really me?
.....
Dressed like this...
would I still be considered...

TLN: Hooray for typical gender bender jokes, amirite?

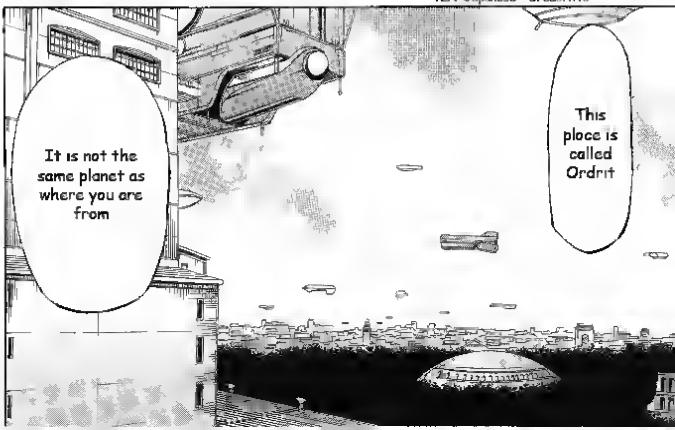
SFX: Footstep

May I have a word with you?
WA——!!
It's not like this!
I wasn't thinking of anything perverted!
I'm so sorry!!
Who are you apologizing to?
to your body maybe?

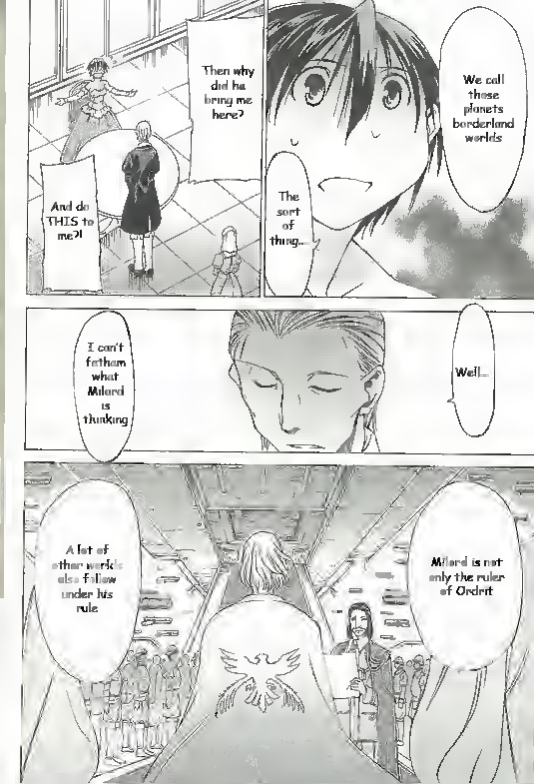
指尖奶茶



TLN Japanese Orudaritto



Not the same planet...?
That is correct. We use a special thing called Mana...
For example, a similar technique to magic
To create a gate between places
To be able to interact with many different worlds
Of course, you would be unaware of this
Ryouma-sama's world is unstable and a gate cannot connect to it
.....



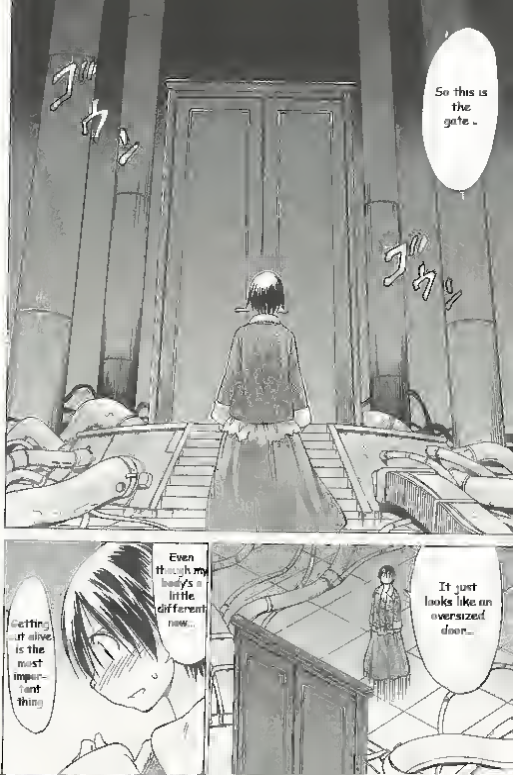
We call these planets borderland worlds
The sort of thing...
Then why did he bring me here?
And do THIS to me?!
Well...
I can't fathom what Milord is thinking
Milord is not only the ruler of Ordrit
A lot of other worlds also follow under his rule

I would request you not to do anything out of line
SFX: Door shutting
I don't get it, why me?
There is nothing special about me

No... He might even kill me out of a fit of rage
NO
はははは
You do not have to right to reject
However, if it continues like this, I will...

TLN: I counter that with a VETO!

Um... Excuse me
Where is the gate?
Huh?
Prince Emile called me over there...
That way... around that corner and all the way to the end.
Thank you very much!
Wait!
You can't just go!



ゴゥン
So this is the gate...
ゴゥン
It just looks like an oversized door...
Even though my body's a little different now...
Getting out alive is the most important thing

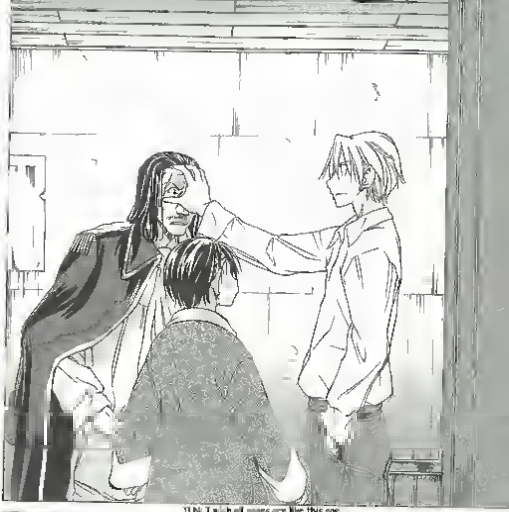
Why??
Does it need a magic word?
Can't open it...
Hmm...
It opened!
Take this!
Hooray!
Now I can go back to my original world...

.....
What the... this girl suddenly ...
Just now from that gate...
This place is...
Eh?

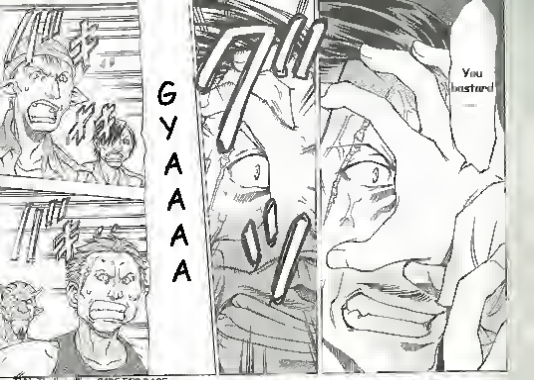
Who would be that stupid to come here just like that...
Uh... What's this place?
Little girl, is it your first time here at Slum Globe?

This is where buyers and seller of slaves gather
A world of drifters you see
Ex-
The gate disappeared!
Ah!
...
Excuse me!

This one is a nice one.
Looks like she's gonna sell high.
Wait, before we sell her, I...
She's cute...
Don't joke.
No matter how I look at it, you're a girl.
Wait... I'm a guy...
SFX: Clutch
Let's find out!!
Wai-
Some-one!



TLN: I wish all passes are like this one.



YLN: That's yelling. CAPS FOR RAGE

Um...
So...
Entering a gate that you don't know how to use
You're a retard
What is this...?
...are you hungry?
Eh?

Didn't he come to take me back?
Now that he mentioned it, I haven't eaten since yesterday
Don't worry
It won't hurt you if you eat it
Don't worry and eat it
I need you to bear healthy children
He REALLY is serious!

Um...
Why did you pick me
When my elder brother passed on
I became the royal heir
And then I got a marriage arrangement

My world is filled with scums that are driven by their desire
And if I to marry that scum
So I went to a borderland world
.. Dont tell me
Anyone would've been okay?
Then go pick somebody else instead of me!
I'm really ..!

You sure emberessed me back there
But, you picked the wrong guy

You ain't leaving this place alive
Bro
This is my head
And you picking a fight with me

These guys won't go hold back even against women
Stand back
But... prince...

I wasn't joking about what I said earlier

TLN: Aniki - My brother (informal)

You still haven't proved anything!
But it's true...

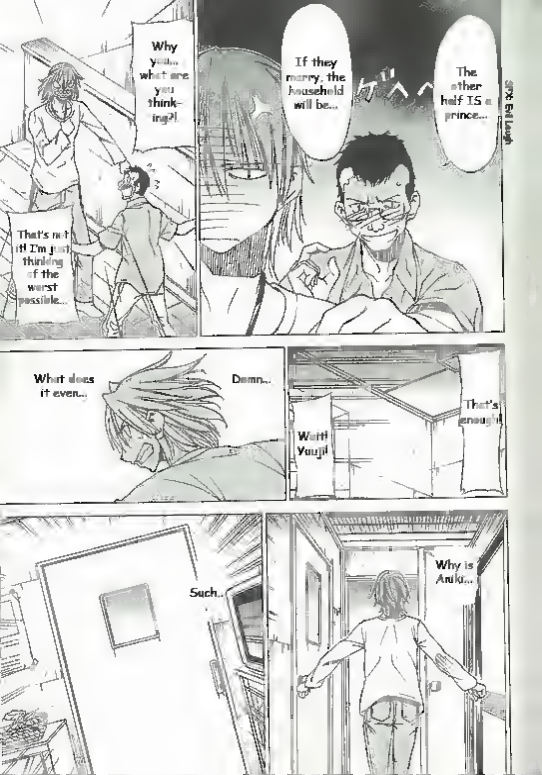
I-I suppose I should go as well
Ah!
Let go!!

It's true that I like you coming here because you wanted to
Let me say this
I don't plan on returning you back to a boy
But you haven't changed your opinion in marrying me
Eh... You
By the way
That guy's your brother?
Don't think I'm going to care in to you anymore.

He's tall, he's good in both academics and sports, and he's popular with girls!
That's right, he's much more awesome!
He's nothing like you
Tha-
He's a brother I'm proud of...
Sorry...
You sure sound happy
I was just away for a week... how did this happen?
What's this mess?!
AH

I can't believe this bullshit!
Yuuji calm down!
That was the real thing
But, you saw it with your own eyes as well
Don't be so pessimistic
Well besides Ryouma is safe and sound



Why y-uh... what are you thinking!
That's not it! I'm just thinking of the worst possible...
If they marry, the household will be...

If you do anything to Yuu-kun
I won't forgive you even if you're the prince!
Yuu-kun! Are you okay?
Are you hurt any-where?
Hey?
You're annoy-ing!

What's wrong with you!
Disappearing for a week, and then coming back a wreck. I don't get you!
Someone like you
I won't recognize someone like you as my brother!

Ha. Haha
SFX: Door shutting
Even if he's like this he was very cute when he was little.
Our mother died very young
It was all up to me to take care of Yuu-kun
That's why he would always go "Onii-chan, Onii-chan"
But recently...
While hanging tight to me

To have a brother like me
So it really is embarrassing
By the way, what is your family like?
I don't know
...eh?
Sorry but I gotta head back to the city
There is a lot of work waiting for me

It's hard to believe...
But you really became a girl
Why would this happen to my Ryouma?
You were definately a guy before.

That's because...

Why am I getting all red?

What's wrong?

I bet Yuu-kun hates me now
So that's how it is
I see.
?
I'm not so sure about that
Because Yuuji

...isn't like that
It isn't like that!
Hey, isn't that guy over there kinda cool?
No way! He's super hawt!

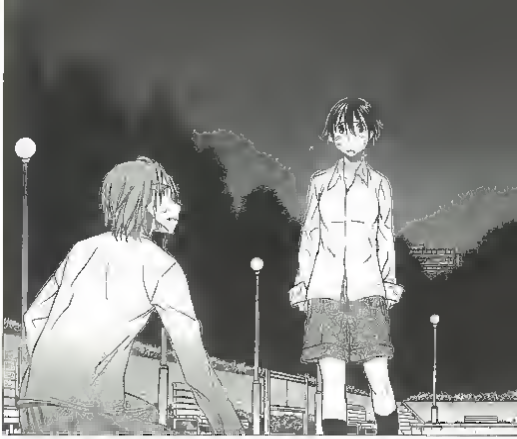
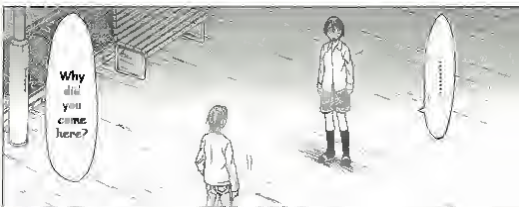
Hey... Yuu-kun
They began to change as I grew up
Hey! Yuu-kun!
Even though at first I have only pure affection

Aniki is a guy
I know it's weird
That's why I try to distance myself... But
Huh?...
But turning into a girl is cheating!
Yuu-kun ♡
.....
So you really came here...



Ani...
You've liked this place ever since you were little



Why did you come here?
.....

Aniki already looked like a girl before. And now that she is one...
兄貴は前から女みたいな感じだったけど…

Let's go home, okay?
ぐわ――やっぱカワイイー!!
Guwa~~ Really IS cute!
She's really
I can't say it! I can't say how I really feel!

I heard the story from Dad

You searched for me day and night without sleep when I went missing
Yuu-kun ..
I'm sorry
ぎゅ
I can't take it anymore!
もうダメー!!
ANIKI!!

Even though Aniki is always worrying about me I...
I should be the one saying sorry!
But that wasn't it
I...
If I say it there, it's going back!
STOP!!
Actually I...

I went and said it...
I love Aniki from the bottom of my heart!

I'm happy
Our brother relationship
If it's like this...
Eh... Then,
So that's what You-kun thinks of me

だぱ～
I'm so fortunate to have a little brother that thinks this much of me!
Eh?
You should open a sweets shop!
That's w~
Aww you're too sweet!
No... that's wrong what I mean by love..

Wait a min-!
Be sure to head straight home!
Eh
!?
I'm going to head home first and heat up dinner
Now that I think about it, he did turn into a girl.
But I did say what's on my mind
...
She's gone
Unbelievable
It must be a gift from god.

Ryouma wasn't home, so I came looking

Some kind of pervert you are
Confessing to your Aniki

What?!
I don't wanna hear that from you!
You turned someone else's brother into a woman!

Are you sure?
If you do something to me my brother won't keep quiet about it
Bastard... Getting full of yourself
Even if you're Ryouma's brother
I don't know if you're a prince or not but lemme say this
I have something to tell you as well
Ryouma is...
Anju is...

What will happen to Ryouma?

TLN Thanks to that I didn't stand out

But... That sure saved me
Whew
Yikes! It's the teacher
You guys hurry up and get in your seats!
Is it a guy? Girl?
For real?
We have a transfer student
Umm even though it's right after a break
Now to act like I always do
A transfer from overseas

WHA

What's wrong Ryouma? You know him?

What does he think he's doing?
Umm. Emilie's seat will be...
Isn't he sooo cool?
No way! A foreigner!
Prince here at school
Don't tell me he came to directly destroy the school
But why?
TLN: No Prince hasn't exactly done anything odd yet...
All of this class's girls
No there are girls from other classes as well
He sure is popular

Whist the heck looks like you're having fun
Why did you come to Japan?
Even though you said I'm your wife
You sure are good at Japanese!
There is more to a guy than just looks
Acting all flirty
You flatter me
Anyways the next gym class is Judo *sigh*
Eh~~ Seriously?!
EH?
It has nothing to do with me!
That's not right! The prince can talk to whoever he wants!
?

I'm going to the funeral suit so soon
Dating Judo... what should I do?
EH
JUDO

HYA

What's wrong?
HUH!

Ryouma is a guy right?
What's wrong?

What the hell are you guys saying?
Me too.
I also thought that it'd be great if he was a girl.
To be honest I wondered if he was a girl myself
But you gotta admit, that guy has a girly face.
No way, seriously?!
Just now Ryouma's chest...
AH

TLN: Fangana too small TT_TT

If you wanna see naked bodies so much
おおお

SFX Hau Hau

What did you come to this school for?!
Did you come here for a fight?!
Why are you doing this...

I thought I can enjoy my student life if I came back to school
Tha... That's not it. I'm just...
Wa... Oi
Wa... Ryeuma, that's not
I'm just trying to pro-tect
Do you enjoy torment-ing me thot much?
I don't wanna hear it!
Those guys know each other?
Who knows?

Alright, let's start the lesson!
Yay! If it's only the basics I can somehow manage
We're only going to do the basics
That said however, we have a new transfer student
Teacher!! Let's practice sparring today!
EH
!!
How unusual of you guys to be so pumped up
Is it because of that?

キャー
Emiko-kun! So cool!
Look, it's him!
That guy
You guys trying hard because there are a lot of girls watching today?
Wait! Teacher!
All right! Let's practice sparring then!
WHA
!?
YOUMA
!!

No, I will!
I'll be the one to find out!
He's hiding something for sure!
No! With me!
Ryouma! Group with me!
Wai- Why?
GH
Get out of my way
Sekai-kun..
Group with me

What's wrong
Are ya scared ?
And you call yourself a man?

I am a guy...

I'll be taking his place
Prince

No idea
What are they talking about?
You sure are protective of Ryouma
I knew it
You guys are free to go with Ryouma...
Now that I'm going with this guy
I said I'll be taking his place
That's not how it goes
オオオオ

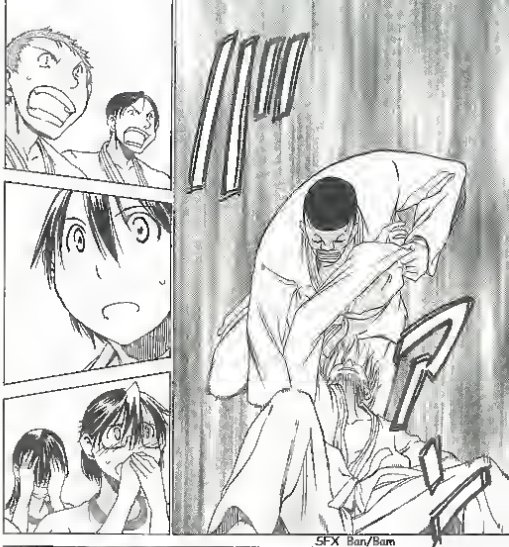
That means I'll be taking all of you on
TLN: Sensei = Teacher
はははは
I like this guy's passion!
Sensei stop them!
Wait what are you saying?!
はははは
War Sensei!
Just let him go at it!
But

Emilio-kun is taking all of them on!
So cool!
Go! Take all those jerks down!
Dam...
The first guy to take him down gets to go with Ryoma
That's cheap, Tanaka!
You're in the Judo club!
I'll go face him
Stop your whining!

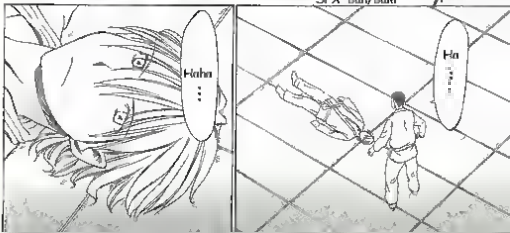
I can be the one that inherit the dojo, so get out with...
Tenma stand is strong...
The truth is, I needed to inherit my father's dojo, so...
I'm sure that she is...
I knew it
Ryouma is a girl...
I'm sorry, but this will all be over soon
That guy is pretty creepy
Fu... fu fu... fu
I can't screw around with you very long...
That's what I plan to say too

Say that again ?!
Mr Black head
What is the matter ?
He didn't budge at all
What the.

Is that level of power all you can manage?
Then I shall
Teach you what true power is like
!!
If the prince uses his full strength...
!?
Don't do it
!!



SFX Ban/Bam



Hahn...
Ha...

The next guy come here now!
O Okay
This guy isn't so tough after all
What the hell
So he's all talk..
Then in the blink of an eye we will..
If the prince uses his real strength
Why..

If you don't finish it fast we won't get time with Ryouma!
What the hell are you doing?!
My bad...

Take this!

He's never done this before...
But aren't we going overboard?

And he has been thrown around this whole time

This is tough on the body...

Looks painful for you
So he can still stay standing, you've got to hand it to him
Next!
Why don't you get down on your knees and beg for forgiveness?
You've got t be kiddin me
Enough already !!!

He said prince just now...
Prince...?
My school life has nothing to do with you, prince!
Just stop already!
Why are you trying so hard to protect me?
If so, why can't you use your full strength?
I don't get you at all
What are you saying?
To lead a normal life
Isn't it important?

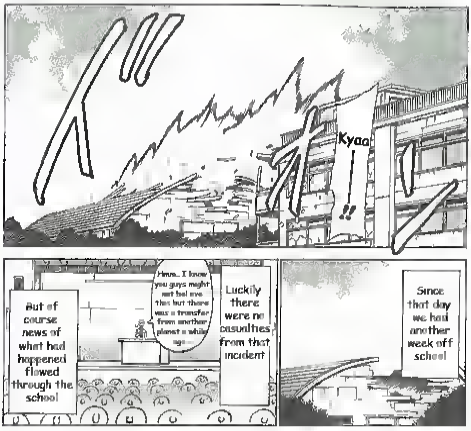
If I didn't come to school
Then I wouldn't have understood the value of school life
However...
If this is the case
And it is indeed something irreplaceable...
Ah...!
I will ...

I said I'm gonna ...
Let go of me ...
Enough already, prince!
TLN: When did Ryouma get THIS shirt? =_O
I beg of you..
Just stop already

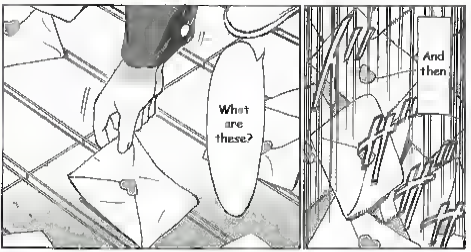
Please keep your hand off him!
SFX: Slirpin
I AM
Your sparring partner will be me!

A GUY !!

Eh ?
TLN: Ryouma put on some weight there... look at those muscles o
I knew it! Ryouma was a girl all along!
Did you see that?!
That dude ain't a dude!
Wai what is the meaning of this?
TLN: Ryouma's hair is conveniently shaped like cat ears while she goes Nya~
Wai !!
I shall wipe you all out...
To have these lower lifeforms gaze upon Ryouma's naked body
Unforgivable
NYA !!



Kyaa
!!
But of course news of what had happened flowed through the school
Hmm.. I know you guys might not feel me this but there was a transfer from another planet a while ago
Luckily there were no casualties from that incident
Since that day we had another week off school



What are these?
And then

Why is prince here at a normal school anyways?!
So cool!
Emilia-sama!
It's Ryouma!
She looks cuter in a skirt after all!
I have no idea..
I thought I'd get to know my wife a little better
I already said I wasn't going to be your wife!
I would definitely be better
Emilia-sama, why Ryouma?
And the girls look like they hate me!
You're cuter than the girls
Ryouma
Now all the guys look at me funny
Why do you have to do this to me?
And that's how my ordinary life went down the drain
You messed up my life!

meets true
love on th
world end

キャー
OMG that makes me wet!
キャー
Emilie-kun said he's going to have a sausagefest with all the guys!

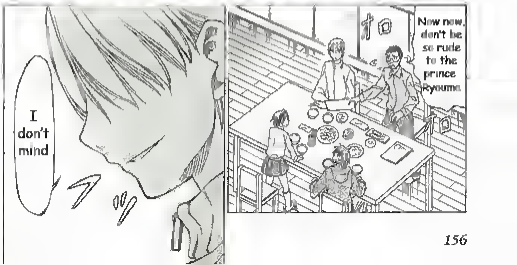
Are you still angry?
Of course I am!

Moreover
It's all your fault that my school life became a mess!
You also blew up the school
What if someone died? What would you do?
Don't say something like that!
and what of it?

Do you even care about the lives of others?



I don't mind
Now now, don't be so rude to the prince, Ryouma

Everyone around me always sucked up to me
You were the only one that gives me your true opinion
Saying whatever is on your mind...
that's what I like about you
思ったまま
But on the other hand, I hate you

Would you like me to feed you?
No.. It's okay
You're still a growing boy
C'mon, Yuu-kun you need to eat up
Well.. I'm regretting it now
Anyways, why did you save that kind of guy Ankh?
He's a prince, after all
But I'm sure it's most likely because he's raised to be a selfish brat
Regardless of who you think you are
Aliens sure are different, they have bi-polar-sonalities
If only I knew he was this super evil alien

We're poor, after all
If it's Yuuji, then it's ok
ME !?
Yuu-kun, make sure you don't grow up to be like him
You're right!
Dad sure thinks things through
Yeu... Yeu ...uys...
AH
It's one thing to say what's on your mind, but to go that far!!

Geez that was a close call
That stupid prince
But with that I know what Aruki thinks about him
And if I take Aruki from that guy—
I'll protect Aruki with my life!
And then
Yuu-kun you're always helping me out like this...
So manly~

That isn't right!
Yuu-kun!
Wai... Aniki!
The relationship between us is more pure
Clean...
This...
This is...

T.N: What is this kind of thing here?
Has always been here since long ago
No... Aniki's underwear
He turned into a girl...
But...
Aniki's underwear
Why doesn't he realize
SFX: Slipper footsteps

WA
!!
Are you done with the bath?
No ...
... What's wrong?
It's dad's turn next...
Now I've done it
Crap...
Nothing ...

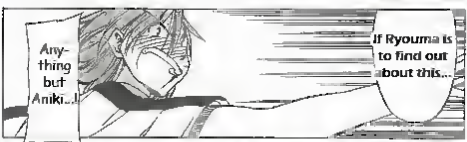
If Aniki is to find out about this

What should I do?
AH !!
Ha
Wait
イラ
Hah
Can't help it there is no other place for me to sleep in this tiny house
Why are you reading manga in my room?

Would you rather that I stay in Ryouma's room?
Don't screw around !!
It's about time that you moved out!
Why are you still...
That aside...
WHA-?!
Do you think you can even get it on with Ryouma?
What were you staring at earlier?

Let's see
No... This is...
What are you hefing
Ah-!
No
Why you ...
This is...
Fu fu fu ...
I knew it, you're a lowly guy after all

So you lust after your own brother...
That's not...
Fir... comes the under-wear, then...



If Ryouma is to find out about this...
Any-thing but Aniki...!

ガチャ
Did Yuuji call me?

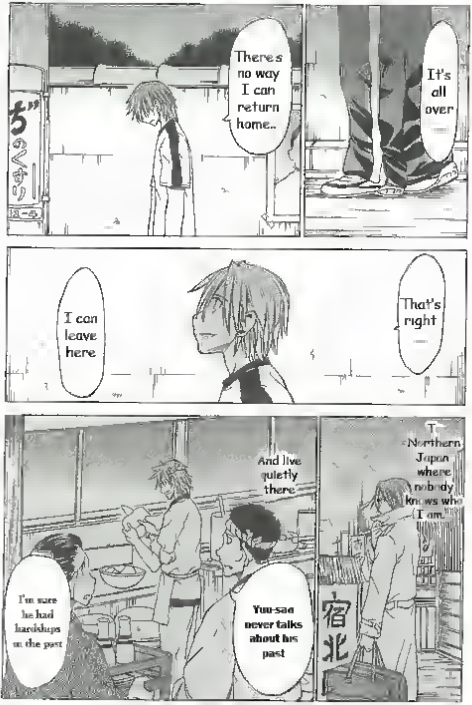
Listen! The person who stole your underwear was...
Ew~ Don't touch me!
Wait, Kyouma, you get it wrong!
Eh... wait...
Sick pervert!
Your brother!
No... That's not...

WAH
!!
Wait... Yuu-kun?!
No way --
It can't be --
Do you get it now, Izumi?
Your brother isn't the man you think he is
That guy...

What do you think you know, prince?!
Ever since he was little, I raised Yuu-kun with everything I had!!
No one knows him better than I do!!
Don't group him with a sick pervert like you, prince!
What?!

コン
コン
Damn
Milord, it's almost time for the meeting
松二



There's no way I can return home..
It's all over
That's right
I can leave here
To Northern Japan where nobody knows who I am
And live quietly there
Yuu-san never talks about his past
I'm sure he had hardships in the past

Yuu-kun, come with me!
Wait

Wa... What are you doing?!
Just come with me!

Yuu-kun ...
I'm sorry
Eh?
Yuu-kun is in junior high after all
It's natural to be interested in those things
Yet I still leave our underwear lying around

So, from now on, tell me whenever you feel that way
Eh?
That's because Yuu-kun is a guy after all
But it's nothing to be ashamed about
My... my...
Because I'll show you
What do you mea...

Ummm the next thing is...
Damn... what am I doing
A gate of epic proportions to Titania will
My lord !?
And so My lord ?
Why can't I even get one girl from a primitive race
EEP
Shut up! I'm listening already!

What happened? The cool and calm prince—
I beg of your forgiveness
It's my first time seeing my lord so emotional...
I knew it, the world that...
Sorry I said too much, please raise your head...
Ryouma and I live in...
I beg of you....
Just stop already...

EH ?
Sorry but I'll be heading back
I have to be gentle as a man
At least sign the paper work!
My lord please wait a moment !!!
That's right, I can't be forceful like I always am as a prince

C'mon Yuu-kun
There is nothing to be ashamed about
手にするな!!
Ye... Yes..
The Then ..
Now watch carefully

But- what the hell!
Hey isn't she sexy?
"My..." means Aniki's collection?
And moreover grravure for a porno collection?
Honestly, even though I'm showing you this...
Aniki is still in elementary kid mode!
兄貴の頭ん中は小学生並か!!
Keep this a secret from Dad

That's beside the point
No, I have your ordinary porno
This may be a bit too stimulating for Yuu-kun
The fact is that doing this...
I'm getting excited too...
...with Aniki is a LOT more exciting !!!

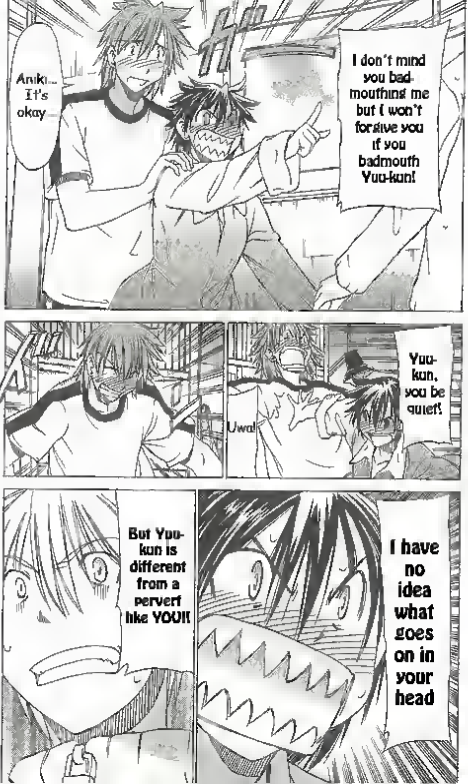
It's not like we can "do wild"
This might be too much
To be honest, I don't know if I should even do this
I know! Yuu-kun can act more serious in his room...
about to GO WILD
But for me, I'm...
Ah!
Uwa!

Ah...
Ani...
Sorry
--

I dropped by a florist on the way
...ha
...
Picked out some flowers that suited you...
Wait!!
Sorry for intruding

What kind of misunderstanding are you making!
I misjudged you Ryouma!
Doing something so shameful...
No... I was just...
Showing a perverted book to Yuu-kun!
To tempt your own brother with a porno...

I'm a guy!
You are such an unfaithful wife!
That's not the point!
No... Umm...
I'm giving him a proper sexual education!!
Is that even necessary?!
To such a perverted underwear thief!
WHA ?!



Aniki... It's okay
I don't mind you badmouthing me but I won't forgive you if you badmouth Yuu-kun!
Yuu-kun, you be quiet!
Uwa!
But Yuu-kun is different from a pervert like YOU!!
I have no idea what goes on in your head

Gets embarressed easily...
Pure...
Straight forward kind of kid!
